God bless mother nature
She's a single woman too
She took off to heaven
And she did what she had to do
She taught every angel
To rearrange the sky
So that each and every woman
Could find her perfect guy

It's raining men!

I feel stormy weather
Moving in
About to begin
With the thunder
Don't you lose your head
Rip off the roof and stay in bed

It's Raining Men! Halleluja!
